

Pupils : how to reset your password in gcse pod

- Go to <https://members.gcsepod.com/login>

- Click on “fогotten my login details”
- Click on “I am a Student”

- Enter the email you originally set for your password recovery – this should be your school email address - & click Send Reset Link

This should allow you to reset your password

- If you did not use your school email address and cannot remember what you used there is an option to log in using their name, dob, school & password hint

If you still cannot get in see Mr Jones
